

Attendance & Work From Office Policy

Policy ID	HR-AT-001
Department	HR
Policy Type	Attendance
Version	1.3
Effective Date	2026-01-01
Status	Active
Policy Owner	Human Resources

1. Purpose

This policy defines attendance expectations, standard working arrangements, office presence, and approval requirements for employees.

2. Standard Working Arrangement

Employees assigned to a hybrid role are expected to work from a designated company office at least 3 days per week unless their role, location, or approved arrangement states otherwise.

Employees assigned to fully remote roles must follow the remote-work terms applicable to their role.

3. Working Hours

Standard working hours are normally 9:00 AM to 6:00 PM local time, Monday through Friday, subject to role and business requirements.

Employees must remain available during agreed working hours unless on approved leave or an approved flexible arrangement.

4. Attendance Recording

Employees must record attendance through the company-approved system where required.

Attendance records must accurately reflect actual work arrangements.

5. Exceptions

Temporary exceptions to office attendance may be approved by the employee's manager for documented business or personal circumstances.

Longer-term changes to the standard work arrangement require HR approval and may require an updated work arrangement.

6. Remote Work Interaction

Working remotely does not automatically remove office attendance requirements for employees assigned to hybrid roles.

Where the Remote Work Policy and this policy both apply, employees must follow the requirements of both policies unless an approved exception applies.

7. Meetings and Collaboration

Employees are expected to attend required team meetings, client meetings, training, and office events regardless of whether the meeting occurs in person or remotely.

Managers may define team-specific collaboration days with reasonable advance notice.

8. Attendance Concerns

Repeated unexplained attendance issues may be addressed through the employee's manager and HR in accordance with applicable procedures.
