

Leave Policy

Types of Leave

1. **Earned Leave (EL):** Employees are entitled to **18 days per year**, reduced from the previous 24 days. Earned leave accrues **0.75 days per fortnight** and can be carried forward up to **45 days**. Prior approval from management is required to avail earned leave, and it is typically requested via email or other valid communication channels
2. **Sick and Wellness Leave:** Employees receive **12 days per year**, up from 7 days previously. Sick leave can be availed by informing the manager through email or other practical communication methods. Sick leave can also be taken in terms of hours rather than full days
3. **Casual Leave (CL):** Newly introduced, casual leave is **12 days per year**. Employees may take up to **two consecutive days of casual leave within a fortnight** without prior approval; longer durations require manager approval. Casual leave can also be availed in hours

Special Leave Provisions

- **Public Holidays:** Employees are entitled to **10 public holidays** annually, including 8 fixed and 2 floating holidays
- **Primary Caregiver Leave:** Up to **26 weeks paid leave** for primary caregivers, applicable for adoption as well
- **Secondary Caregiver Leave:** Up to **15 working days paid leave**
- **Bereavement Leave:** Employees can take **4 consecutive weeks** for the death of a spouse or child, and **3 consecutive working days** for the death of close family members such as parents, siblings, or grandparents

Flexibility and Location-Based Variations

XYZTech's leave policy is designed to support flexibility, allowing employees to take both "small" and "big" time-offs depending on personal needs. Leave entitlements vary by location; for example, employees in **Noida** have **40 days**, **Bengaluru** employees have **30 days**, and **Indore** employees have **45 days** annually, combining earned, sick, and casual leaves. Carry-forward limits are capped at **45 days** in most locations.

Leave Management

- **Approval Process:** Earned leave requires prior approval, while sick and casual leaves require timely notification to managers
- **Unauthorised Leave:** Unnotified or unauthorised leave may be considered misconduct and could result in disciplinary action
- **Hourly Leave Option:** Sick and casual leaves can be availed in hours, providing additional flexibility for short absences

Additional Employee Support

XYZTech also provides wellness support through apps like **Calm** and **Wysa**, financial guidance via **Nudge**, and family care support, including fertility, adoption, and childcare assistance. These benefits complement the leave policy to ensure employees can manage personal, family, and wellness needs effectively.
