

Travel & Expense Policy

Policy ID	FIN-TE-001
Department	Finance
Policy Type	Travel & Expense
Version	2.1
Effective Date	2026-01-01
Status	Active
Policy Owner	Finance Operations

1. Purpose

This policy defines approval, booking, reimbursement, and documentation requirements for business travel and business expenses.

2. Business Travel Approval

Business travel must have manager approval before booking.

International travel also requires the approvals required by the applicable mobility, immigration, security, and finance processes.

Travel that is not connected to a legitimate business purpose is not reimbursable.

3. Air Travel

Economy class is the standard for flights under 6 hours.

Premium economy may be booked for flights of 6 hours or more when available under the approved travel program.

Business class requires documented approval from a Vice President or equivalent business leader.

4. Accommodation

Hotel accommodation should be booked through the approved travel channel.

For domestic travel in India, the standard reimbursable hotel limit is INR 8,000 per night excluding applicable taxes.

Accommodation above the standard limit requires prior written manager approval and a documented business reason.

5. Meals

Reasonable business meals are reimbursable when connected to approved business travel.

Meal expenses should normally not exceed INR 1,500 per person per day for domestic travel, excluding approved client entertainment.

Alcohol is not reimbursable under the standard employee meal allowance.

6. Local Transportation

Reasonable taxi, public transport, and approved rental-car expenses are reimbursable when incurred for business travel.

Employees should use approved transport providers where practical.

7. Expense Claims

Expense claims must normally be submitted within 30 calendar days after the end of the trip.

Receipts are required for individual expenses above INR 1,000 unless the expense system provides an approved exception.

Employees must not submit duplicate, personal, or knowingly inaccurate expenses.

8. Client Entertainment

Client entertainment requires a legitimate business purpose and must comply with the Code of Conduct & Ethics Policy.

Expenses that could create an improper influence or conflict must be referred to Ethics & Compliance.

9. Exceptions

Exceptions require prior written approval from the relevant Finance approver and the employee's manager, unless an emergency makes prior approval impractical.

10. Review and Version History
